

COMPLETE GUT HEALTH SOLUTION

- Promotes a healthy gut microbiome balance.*
- Contains Tributyrin, a postbiotic that gets butyrate to your colon faster.
- Includes Baobab fiber that slows the release of sugars into the bloodstream and prevents energy spikes while enhancing appetite regulation and metabolism of carbohydrates.
- Keeps the gut microbiome balanced by fighting off harmful bacteria while keeping good bacteria growing and thriving.*
- Increases diversity of intestinal flora in the gut.*

Tribiome 6 is your complete gut health solution containing six probiotics, plus prebiotics and postbiotics — all in one capsule! It's helping people achieve things they never thought possible, like better weight management, relief of digestive discomfort, improved nutrient absorption, correction of gut bacteria imbalance, and better immune health.
